

Municipality of Anchorage Office of the Mayor

July 1, 2021

MAYORAL DIRECTIVE NO. 2021-02 ANCHORAGE ECONOMIC RECOVERY AND DIVERSIFICATION

1 **WHEREAS**, the Anchorage economy has languished over the past few years, exasperated by
2 a lack of diversification and most recently impacted by COVID-19 pandemic restrictions; and
3

4 **WHEREAS**, The Anchorage economy has been primarily supported by the oil and gas industry
5 and government services; and
6

7 **WHEREAS**, Extensive government regulations and a lack of innovative economic incentives
8 has created a business development climate that is not competitive with other west coast
9 metropolitan areas; and
10

11 **WHEREAS**, Anchorage is the largest city in Alaska and the primary business hub for economic
12 activity statewide; and
13

14 **WHEREAS**, Anchorage has a distinct geographical advantage to develop and expand both
15 existing and new businesses; and
16

17 **WHEREAS**, Anchorage has an intermodal transportation system that includes a vibrant
18 international airport, major marine port, railroad, and road system; and
19

20 **WHEREAS**, Joint Base Elmendorf Richardson (JBER) is located in Anchorage and provides a
21 tremendous economic benefit to the municipality; and
22

23 **WHEREAS**, The University of Alaska, Anchorage is an integral part of the municipalities ability
24 to train a diversified workforce; and
25

26 **WHEREAS**, Anchorage is the center for medical services, which includes a sophisticated
27 UMed District that integrates hospital, clinic, medical support services, and the University of
28 Alaska, Anchorage; and
29

30 **WHEREAS**, Anchorage is Alaska's financial center, with numerous financial institutions that
31 support the economy of both Anchorage and the state; and
32

33 **WHEREAS**, Anchorage hosts the headquarter operations for most Alaska Native Corporations;
34 and
35

36 **WHEREAS**, Anchorage has experienced an increase in tourism, with projections that tourism
37 could increase substantially with infrastructure and venue improvements; and
38

1 **WHEREAS**, Anchorage has a number of organizations focused on economic development,
2 diversification, and business expansion; such as the Anchorage Economic Development
3 Corporation, the Anchorage Community Development Authority, the Anchorage Chamber of
4 Commerce, and others; and

5
6 **WHEREAS**, If Anchorage is to remain competitive with other major metropolitan areas and
7 have a vibrant economy, aggressive action must be immediately initiated to identify business
8 development opportunities, municipal policies and incentive programs, funding availabilities,
9 and needs of the local business community to expand and prosper.

10
11 **THEREFORE, THE MAYOR OF ANCHORAGE HEREBY RESOLVES:**

12
13 The Municipality of Anchorage shall aggressively pursue economic revitalization, expansion,
14 and diversification.

15
16 As such, an **Anchorage Economic Revitalization and Diversification Advisory Committee**
17 (AERDAC) is hereby established to develop a blueprint to achieve a vibrant local economy.

18
19 The AERDAC shall be Chaired by the Executive Director of the Anchorage Community
20 Development Authority and report as an independent organization directly to the Mayor.

21
22 The AERDAC may hire a facilitator to organize, manage, and execute the objectives of this
23 directive.

24
25 The AERDAC shall use the 2021 **Economic Recovery Transition Team** report as the
26 framework for their work.

27
28 The AERDAC shall provide the Mayor with status reports 100 days after activation and every
29 four months thereafter.

30
31 Membership on the AERDAC shall be selected by the Mayor, within 30 days of the signing of
32 this directive.

33
34 Meetings of the AERDAC shall be noticed and conducted in accordance with the Alaska Open
35 Meetings requirements.

36
37 **SIGNED AND DIRECTED** by this ANCHORAGE MAYOR on this 1st day of July, 2021.
